

# Service Level Agreements

Your Service agreement is not just a plan for maintenance; it's your assurance of peak performance for your Cerulean equipment. It serves as a cornerstone of confidence, ensuring that every aspect of your machinery is meticulously optimised to deliver the highest standards of operation. With this agreement in place, you can rest assured that your equipment is always equipped with the latest software advancements, continuously fine-tuned to meet evolving industry demands and technological innovations.

+ Discounted Labour rates\*

+ Gain access to [MiCerulean](#)

+ Access to Remote augmented reality support

+ Access to priority support for technical assistance

\*Discount based on standard rates.

Under your service agreement, you gain access to priority support for technical assistance and base repair services. This ensures that any issues or concerns with your equipment are promptly addressed, minimising downtime and maximising operational efficiency. Our dedicated team is committed to providing swift and reliable assistance, ensuring that your operations remain smooth and uninterrupted.

Don't miss out on this exclusive opportunity. Sign up for our service agreement now and reap the rewards of efficiency, reliability, and affordability, all in one package.

## Collaboration where it matters

Maximise your Equipment with Cerulean Service Agreements.
